BECOME AN INSTALLER/TECHNICIAN THROUGH THE IBEW-NECA SOUND AND COMMUNICATION APPRENTICE TRAINING PROGRAM

EARN COLLEGE CREDIT

Make the most of your future by applying to be an Apprentice within the Sound and Communication Apprenticeship 3-year Training Program. It's the best electrical training of its kind, available today, offered by the International Brotherhood of Electrical Workers and the National Electrical Contractors Association (IBEW-NECA).

You earn while you learn, plus receive medical and retirement benefits (based on hours worked), and emerge with a solid and secure future.

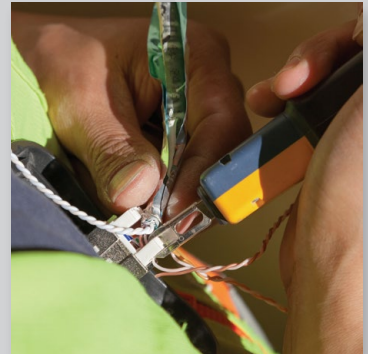

BENEFITS

ON-THE-JOB TRAINING PAYS DIVIDENDS WITH COMPETITIVE WAGE RATES AND BENEFITS (BASED ON HOURS WORKED)

EARN WHILE YOU LEARN

From the moment you are a registered Apprentice, you go to work in the field and earn the following:

- Competitive Wage Rates
- Medical, Dental, and Vision insurance
- Retirement Benefits

TOMORROW'S TECHNOLOGY TODAY
