

OFFICIAL ANNOUNCEMENT

SOUND AND COMMUNICATION APPRENTICESHIP APPLICATIONS

WWW.NORCAL-JATC.COM

Wage & Fringe Benefits \$22.00 to \$31.45 per hour to start, depending on location, as per IBEW/NECA Collective Bargaining Agreement (as of 3/1/2025), with periodic advancement. Medical & Retirement benefits are provided per the Collective Bargaining Agreement, based on hours worked.

Characteristics of the Trade Apprentice will typically be supervised by a Sound and Communication Installer/Technician at all times. The trade requires physical effort on the part of the Apprentice to do climbing, crawling, crouching, lifting, use motorized tools and electronic test equipment, and work in cramped quarters. Wiring is frequently color-coded for connecting purposes; therefore, the worker cannot be colorblind. Mechanical ability and finger dexterity are essential. Work may be performed indoors or outdoors in new and old construction environments.

Program Scope To achieve Installer status, the 3-year Apprenticeship Agreement requires the Apprentice to complete 480 classroom hours of Related Supplemental Instruction, and 6,000 hours of On-The-Job training, through exposure to the following work processes: Project Planning and Initiation, Material Handling, Establishing OSHA and Customer Safety Requirements, Pathway Installation, Pre-fab and Buildout, Wire and Cable Installation, Splicing and Termination, Component Installation, Firestopping, Testing/Commissioning, and Start-Up, Maintenance, and Service.

After making a qualified application, individuals who can show that they meet the conditions listed below will be afforded an oral interview by the JATC. Once interviewed, an applicant shall remain active on the Eligible Applicant List, subject to selection, for two (2) calendar years from the interview date.

Minimum Requirements & Qualifications for Applicants

1. Must have a valid driver's license issued by the D.M.V., must be 17 years of age at the time of application, 18 years of age at the time of selection and registration.
2. Complete an application form, accurately responding to all questions, including statements indicating you are:
 - A. Physically and mentally able to safely perform or learn to safely perform essential functions of the job.
 - B. Able to get to and from work at job sites as assigned.
 - C. Able and willing to attend all Related Supplemental Instruction, as required.
 - D. Able to climb and work from ladders, scaffolds, poles, and towers of various heights.
 - E. Able to crawl and work in cramped spaces such as attics, maintenance holes, and crawlspaces.
 - F. Able to read, hear and understand instructions and warnings.
 - G. Show evidence of successful completion of one full year (2 semesters) of High School Algebra or one semester of College Elementary Algebra with a minimum grade of "C" or equivalent or provide evidence of having completed the Electrical Training ALLIANCE Tech Math Course. Available on-line at <http://www.electricaltrainingalliance.org/Learning/OnlineTechMath>. Pre-Algebra does not meet this requirement.
3. Must have one of the following: a high school diploma, a G.E.D., or a two-year Associate Degree or higher.
4. Provide official ("sealed") transcript(s) for high school or post-high school education and training. G.E.D. records must be submitted, if applicable. All records and transcripts must be in English.
5. If a Veteran, submit form DD-214 for possible consideration of applicable military training and experience.
6. Score "4" or higher on the electrical trade's aptitude test developed and validated by the American Institutes for Research. The aptitude test includes reading comprehension and introductory algebra. See website for more information <http://www.electricaltrainingalliance.org/samplepage>.
7. Consent to Substance Abuse Screening.
8. Applications must be completed by the applicant. All required documentation must be provided by the applicant to complete a "qualified" application.
